Animal Control

Earlier this week, the City Manager and staff met with several representatives from the Los Angeles County Animal Control Department to obtain information on how the County implements their services in our City. During this meeting we were informed that the County hadn't conducted a complete city canvassing for animal licensing since 2008 which helped explain why we have stray animals in the City.

In addition, the County informed us that it can take them up seven days to pick up a dead animal which is way too long so I've directed our City Public Works staff to pick the dead animals as we see them and call the County to pick up at the City Yard. At the conclusion of meeting, it was agreed that the County would begin a citywide canvassing (i.e., door to door) of the City for animal licensing, and that a vaccination clinic would be tentatively scheduled for April 16, 2015 - as more information becomes available regarding the vaccination clinic it'll be provided in this City Manager's Report.

Finally, the Los Angeles County Animal Control Department will provide residents with an overview of their services at the February 25, 2015 Town Hall Meeting which be followed by a "Question and Answer" session.

City Insurance Provider Search

The City Manager and staff recently met with Keenan and Associates (i.e., Keenan) to obtain more information on alternatives for insurance coverage for the City. Keenan presented staff with details of what an alternative insurance coverage can provide and what it would look like. They presented information to show comparisons to our current insurance provider and provided insight on a potential transition. The quotes and comparative data will be used by staff to determine the best insurance coverage and premiums as part of the Fiscal Year (FY) 2015-16 City Budget process.

Club de Oro Updates

On February 17, 2015, after extensive coordination between Club de Oro representatives (i.e., Patricia Guerrero and Rosa Olivares), City Attorney and staff (i.e., City Manager and Deputy City Clerk) the City Council approved a License Agreement between the City and Club de Oro. The agreement allows Club de Oro to provide services to the Senior Citizens at the Senior Center located at Clara Street Park, 4835 Clara Street, Cudahy CA 90201, for one year with an option to extend the agreement for an additional year. Club de Oro will be offering senior-based activities, which include gift based bingo, nutrition classes, Naam Yoga, exercise classes, trips and personal grow and improvement classes at no cost. Club de Oro will provide the services Mondays and Wednesdays from 10 a.m. to 1:00 p.m. and are set to begin on Wednesday, February 25, 2015.

Community Development and Services Department

Cudahy Park Skate Park Repairs

In order to address long overdue repairs needed to the City's skatepark located at Cudahy Park, the City's maintenance staff worked with the sole provider to provide a quote and conduct the repairs. The skatepark has been closed for the last three months due to dilapidated and damaged structures. Because the cost exceeds the City Managers purchasing authority of \$5,000 per vendor, the proposal will be presented to the City Council for their consideration at the April 7, 2015 City Council meeting.

Bedwell Hall Re-Roofing Project

On February 11, 2015 a pre-construction meeting was held to finalize the contract and establish the construction schedule for the Bedwell Hall Re-Roofing Project. Subsequent to the meeting the contractor needed to submit licensing information, upon which the City will issue a Notice to Proceed. It is expected that construction will start in the first week of March and is anticipated to be completed by end of April, 2015.

Clara Park Sports Complex Expansion Project Phase III

On February 11, 2015, a pre-construction meeting was held to finalize the contract and establish the construction schedule. The City issued a Notice to Proceed on February 13, 2015. In accordance with the schedule provided by the contractor, the Clara Park Expansion Project will

begin construction on March 2, 2015 and will be completed by April 20, 2015. All six tenants have fully vacated their units.

As part of the construction, the City will be closing the entire Clara Expansion Park between March 1, 2015 and April 20, 2015. This will ensure ensure the safety of the community during the construction phase. Additionally, this will allow the City's maintenance staff the ability to finish the rehabilitation of the soccer field as well as repair other areas of the park (landscaping and equipment).

Lugo Park Soccer Field and Restroom Renovation Project

On February 12, 2015 City staff met with our in-house design team provided by Willdan Engineering to provide formal plans and specifications with associated costs for the design of the Lugo Park Soccer Field and Restroom Renovation Project. Upon award of the Project Management and Labor Compliance contracts, the design and associated costs will be brought before City Council for their consideration and approval by April, 2015.
