# Baby Care Packages Delivered

On Saturday May 9, 2020, the City of Cudahy, in partnership with the YMCA, hand-delivered Baby Care Packages to pre-registered parents at their residence. The care packages were assembled by city officials who thoughtfully put each package together to ensure families of babies and toddlers received the correct diaper size and other essential supplies. The baby care packages contained diapers, wipes, a warm blanket, squishy teddy bear, toothbrushes, and some included supplies for families. The adult supplies included tooth brushes, shampoo, and soap. The City of Cudahy launched the “Baby Care Package” campaign via its social media platforms to encourage residents to pre-register. Within five hours of opening the registration link, all supplies were exhausted—a testament to the increased financial burden families are experiencing during the current pandemic.

The City has created and identified a series of community resources immediately available to all in need:

- 1 A big thank you to the Human Services Association and Fiesta Taxi for delivering over 1,700 meals to Cudahy senior citizens.
- 2 The City of Cudahy lifted overnight parking restrictions until July 6th, 2020. To help keep the streets clean and safe, citations will be given to vehicles not moved on Mondays from 12 am to 7 am effective Monday, April 27th.
- 3 The Los Angeles Unified School District provides free [Grab & Go](#) Meals to all students in Southeast Los Angeles.
- 4 We want to thank the YMCA, City of Youth and Centro Evangelistico Ebenezer for providing over 5,000 meals to families.
- 5 The City has set-up hotlines for Cudahy residents. Feel free to call the Senior Hotline at 323-306-5154 or Weekend Hotline at 323-282-5604 for questions or concerns you might have.
- 6 We are keeping the community clean of graffiti but we also ask residents to help by reporting any vandalizing of private and/or public property to the Sheriff’s Dept. at (323) 264-4151 or call the Crime Stoppers hotline at (800) 222-8477.

The City of Cudahy City hall and facilities will be closed through the month of June.
