The City has been informed that its preliminary CDBG funding estimate for the 2021-2022 fiscal year is approximately \$371,767. These funds can be used for a wide variety of purposes, including property acquisition and disposition, housing, public facilities and improvements, public services, and commercial/industrial improvements and other economic development activities. However, in order to use CDBG funds for any of these eligible activities, it must be shown that the activity will:

1. Directly benefit low and/or moderate-income persons;
2. Help to eliminate slum and blight conditions; or
3. Address an urgent need

As examples, of the types of projects that can be undertaken, the City of Cudahy is currently using CDBG funds for code enforcement, the rehabilitation of single-family homes, assistance to local businesses, and various public services including youth nutrition, hot meals for senior citizens, food distribution, senior services, landlord/tenant services, and recreation services. Not more than 15 percent, or approximately, \$55,765.05, can be allocated for public services.

All interested parties are invited to attend the public hearing and suggest projects or programs for the use of the City's CDBG funds during the 2021-2022 fiscal year. Further information on the CDBG program may be obtained or viewed by emailing jhernandez@cityofcudahyca.gov, or by calling City Hall at (323) 773-5143.
