Stage 1 - Business Plan

- On the left, click on *Business Plan* and complete information:

Notice to Applicant regarding Public Record Requests:

The California Public Records Act requires that upon proper request governmental records shall be disclosed to the public, unless an exemption applies. Express legal authority is required to justify a denial of access to public records. "Public records" include, "any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics." This includes online information, emails and text messages. Applicant is advised that if he or she is concerned about the potential disclosure of confidential documents, trade secrets and financial information submitted in connection with this application, Applicant will identify such items in writing in a format provided by the City. The City shall determine in its sole and complete discretion whether or not the identified documents and information is subject to public disclosure. The City does not warrant against inadvertent disclosure nor guarantee the non-disclosure of such records if subject to a lawful request for public disclosure.

Stage 1 - Business Plan (cont.)

3. Market Analysis Summary

You need to know your target market—the types of customers you are looking for—and how it's changing.

Use this section to discuss your customers' needs, where your customers are, how to reach them and how to deliver your product to them.

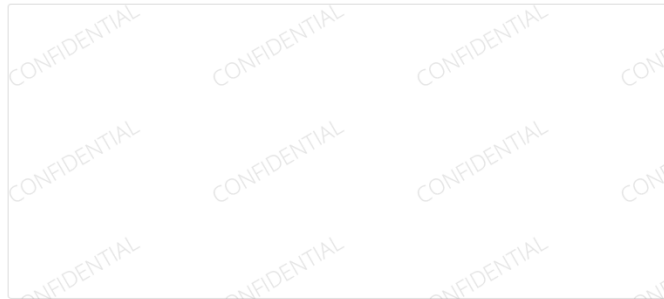

You'll also need to know who your competitors are and how you stack up against them—why are you sure there's room for you in this market?

4. Strategy and Implementation Summary

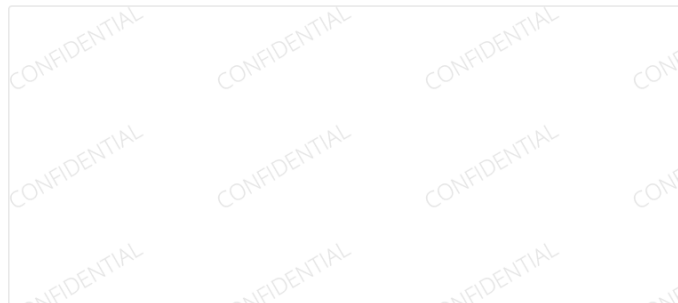

Use this section to outline your marketing plan, your sales plan, and the other logistics involved in actually running your business.

You'll want to cover the technology you plan on using, your business location and other facilities, special equipment you might need, and your roadmap for getting your business up and running. Finally, you'll want to outline the key metrics you'll be tracking to make sure your business is headed in the right direction.

6. Community Benefits Program

The City of Cudahy is interested in how the Cannabis Industry will contribute to the community and in what way would your company participate and do so. The City has created a specific fund to facilitate these benefits to support the local community such as the public gym, parks, youth and youth sports programs as well as others. Please provide a summary of at what level you would contribute to this fund and how you would see it be used for the community.

Stage 1 - Business Plan (cont.)

7. Financial Plan

Your projected Profit and Loss and Cash Flow tables which you will be attaching, this section is a brief description of the assumptions you're making with your projections, and this section is a summary of your financial plans and models.

Financial Plans - 3 Years
